STATE OF NEW JERSEY
DEPARTMENT OF LAW AND PUBLIC SAFETY
STATE BOARD OF MEDICAL EXAMINERS

IN THE MATTER OF:

Administrative Action

DAVID SCHULD, A.T.

LICENSED TO PRACTICE ATHLETIC :
TRAINING IN THE STATE OF
NEW JERSEY

**ORDER GRANTING UNRESTRICTED
LICENSURE**

This matter was first opened to the State Board of Medical Examiners upon receipt of information that respondent had entered into a treatment program for the treatment of an addiction problem and the subsequent voluntary surrender of his athletic training registration to practice in this State. In a Consent Order filed in October of 1998 respondent was permitted to resume the practice of athletic training pursuant to stringent restrictions. In February of 2000 an Order was entered which relaxed certain of those restrictions. The Board's records reflect that the athletic trainer has remained in total compliance with all of the requirements of the 2000 Orders.

CERTIFIED TRUE COPY

In March of 2004 respondent **petitioned** the Athletic Training Committee and the Board for unrestricted licensure. Dr. Louis Baxter, Sr., M.D., **Executive** Medical Director of the Physician's Health Program of the Medical **Society** of New Jersey, provided a position statement in support of respondent's **petition** for unrestricted licensure. The Board is satisfied that **the respondent** has **been** totally compliant: with **his recovery regimen**.

The Board having **determined** that the within Order is adequately protective of the public health, safety and welfare,

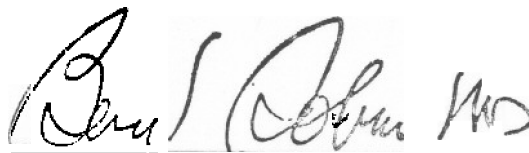

IT IS ON THIS 25TH DAY OF AUGUST ,2004,

ORDERED :

1. Respondent David Schuld is hereby granted **an** unrestricted license to practice Athletic Training in the State of New Jersey.
